

Internet Acceptable Usage Policy

Our priority in Coláiste De Lacy is to ensure a safe, positive, supportive and optimal educational environment for all. The aim of this Acceptable Use Policy (AUP) is to ensure that students will benefit from learning opportunities offered by the school's Internet resources in a safe and effective manner. Internet use and access is considered a school resource and privilege. It is provided for educational purposes only. Therefore, if the school AUP is not adhered to, this privilege will be withdrawn and appropriate sanctions (as outlined in the AUP) will be imposed.

Before signing, the AUP should be read carefully to ensure that the conditions of use are understood and accepted.
