

LC and LCA Results 22nd August 10am-CSSP Portal

Dear Parents/Guardians and LC / LCA examination candidates 2025,

The LC and LCA examination results will be made available to students through the State Examinations Commission (SEC) CSSP portal on Friday 22nd at 10am. Candidates have already registered with the portal during the school year and they can login as normal prior to the 22nd to practice accessing the portal.

However, in the unlikely situation that a candidate is not yet registered with the CSSP portal please do so immediately via www.examinations.ie/cssp/2025/. To register the candidate must input their examination number and PIN this will be the first 4 digits of their PPSN. Once they register they will be able to login to the portal to access the results in the same way as all other candidates.

Please see the information below which will guide parents/guardians and examination candidates along the results process highlighting key dates for following up with the SEC .

We wish all our students the very best of luck on results day and encourage all to use the helplines and supports listed in the information attached.
